JOPPD Submitter

Code book of JOPPD submitter codes. The submitter code is a unique identifier that indicates the legal or formal status of the entity that submits the report and calculates contributions and taxes.

The code is selected in the ***{JOPPD Submitter}*** field on the ***~ OTHER DATA ~*** tab of the Companies form, and Brix transfers it to Page A of the XML file and the print of the JOPPD form. The field is shown only to companies with the JOPPD module enabled.

The code book is maintained exclusively by MICRO PROCESS according to the Tax Administration regulations (see JOPPD codes).
