

Brix

Login to Brix [here](#).

First time login requires entering your email address, click on the [CHANGE PASSWORD] button and follow the displayed instructions.

The password can not be shorter than eight characters, must have at least one uppercase letter, one lowercase letter and one numeric.

Brix is a web application made up of many modules. Various combinations of modules enable the following software solutions:

[microbee](#)

[servis](#)

[autoservis](#)

[Bookkeeping, Accounting & Customer/Supplier accounts](#)

[Accounts Payable Processing](#)

[invoicing](#)

[cashTill](#)

[Stocks](#)

[crm](#)

[Manufacturing](#)

[members](#)

[parties](#)

[evote](#)

[GDPR - General Data Protection Act](#)

[Document Management System \(DMS\)](#)

The functionality of the above module can be extended with the following:

[Web Shop Integration](#)
